

Behaviour Management - Policy and Practice

Rise & Shine Day Nursery believe that children and adults flourish best in an organised environment in which everyone knows what is expected of them and children are free to develop their play and learning without fear of being hurt or hindered by anyone else. We aim to work towards a situation in which children can develop self-discipline and self-esteem in an atmosphere of mutual respect and encouragement.

In order to achieve this:

All adults will try to provide a positive model for the children with regard to friendliness, care and courtesy and to offer strategies for handling any conflict

Rules governing the conduct of the group and the behaviour of the children will be discussed and agreed within the nursery and explained to all newcomers, both children and adults

All adults in the Nursery will ensure that the rules are applied consistently, so that children have the security of knowing what to expect and can build up useful habits of behaviour

Adults in the Nursery will help the children to challenge bullying behaviour appropriately

Adults in the Nursery will praise and endorse desirable behaviour such as kindness and willingness to share

We will take positive steps to avoid a situation in which children receive adult attention only in return for undesirable behaviour.

When children behave in unacceptable ways:

Adult will immediately inform them that the behaviour is unacceptable, if unacceptable behaviour is repeated.

They will be given one-to-one adult time to help them understand what is unacceptable and how to display acceptable behaviour.

Children will never be sent out of the room by themselves.

Physical punishment, such as smacking or shaking, will be neither used nor threatened.

Techniques intended to single out and humiliate individual children such as the "naughty chair" will not be used.

Physical restraint, such as holding, will be used only to prevent physical injury to children or adults and/or serious damage to property.

Any significant event of this sort will be recorded, and the parent informed the same day and asked to countersign the incident record.

In cases of serious misbehaviour, such as discrimination, abuse, bullying, the unacceptability of the behaviour and attitudes will be made clear immediately, but by means of explanations rather than personal blame.

In any case of misbehaviour, it will always be made clear to the child or children in question that it is the behaviour and not the child that is unwelcome.

Adults will not shout, or raise their voices in a threatening way.

Adults in the Nursery will make themselves aware of, and respect, a range of cultural expectations regarding interactions between people.

Any behaviour problems will be handled in a developmentally appropriate fashion, respecting individual children's level of understanding and maturity.

Recurring problems will be tackled by the whole Nursery, using objective observation records to establish an understanding of the cause.

Adults will be aware that some kinds of behaviour may arise from a child's special needs.
